Sir,

In forwarding herewith copy of an application from Rev. E. P. Rice of the London Missionary Society, praying for the allotment of a site and permission to build thereon a General Hospital at Chikballapur, I have the honor to state that the said Society propose to build the Hospital at a cost of about Rs 42,000 and call it the Wardlaw Thompson Memorial Hospital.

From

C. Srikantesvara Aiyar, Esqr., B.A. B.L.,

To

K. S. Chandrasekhara Aiyar, Esqr., B.A. B.L.,
Secretary to the Govt. of H. H. the Maharaja
of Mysore, General and Revenue Departments.

Sir,

In continuation of my letter No. C.495 dated the 3th April 1909, anent the permission to build a second bungalow in the compound of the London Mission House at Chikballapur etc , I have the honor to submit herewith, copy of an application from Rev. E. P Rice, ^Xpraying for such permission and submitting a sketch showing the relative bearings of the different Government buildings in the locality to the proposed bungalow.

For favor
of return
when done
with.

2. Since writing my last letter, I have seen Mr Rice and met him also at Chikballapur on the 3rd instant, and went over the subject with him on the grounds in all its aspects, and as he was strongly inclined that such a bungalow would be more convenient to the Doctor to be in charge of the proposed Wardlaw Thompson Memorial Hospital than in any other place, solicited permission to so locate the bungalow as shown in sketch away from the line of the Munsiff's Court and the Sub Divisional Officer's quarters, with its outhouses in the south-east corner thereof so as not to obstruct or be in the way of the adjacent public buildings or any further expansions thereof. He is also agreeable not to erect any outhouses etc elsewhere in the compound than in the south-east corner as shown in the sketch.

3. Under these circumstances, it seems to me that the permission applied for may be granted.

I have the honor to be,
